# STAND-ALONE SPECIALTY SHAPE UNFRAMED AND FRAMED ORDER FORM KEY

Use the following key as a guide when completing the specialty shapes order form. Items marked with an asterisk (\*) require a surcharge.

- 1 Specialty Type:** *Specialty types A1-A7 do not require a template.*
- |  |   |
|--|---|
| A1 = Perfect arch                      | A5 = Eyebrow                              |
| A2L = Left quarter circle              | A6L = Extended left quarter eyebrow       |
| A2R = Right quarter circle             | A6R = Extended right quarter eyebrow      |
| A3 = Circle (two individual A1 arches) | A7L = Left angle or extended left angle   |
| A4 = Extended eyebrow or extended arch | A7R = Right angle or extended right angle |
- Specialty types T1-T4 require a template and are only available in Heritance® with horizontal louvers.*
- T1 = Oval      T2 = Circle      T3 = Hexagon      T4 = Octagon

- 9 Buildout:**
- 1 = Single buildout projection\*  
 2 = Double buildout projection\*  
 Buildout projection comes preattached to the back of the specialty shape.

	NewStyle Bridgeway	Heritance Unframed	Heritance Framed	
			L1	L2
Single Buildout	1"	1"	1 1/8"	1 3/8"
Double Buildout	2"	2"	2 1/4"	2 3/4"

- 2 Product Code:** HH = Heritance hardwood shutters  
 NS = NewStyle® hybrid shutters  
 BW = Bridgeway® specialty shapes

- 10 Louver Options:** *Heritance T1-T4 only.*  
 Specify louver size: 2 1/2", 3 1/2" or 4 1/2".

- 3 Color Number:** Specify color number. Refer to the sampling materials for the product being ordered. With Bridgeway specialty shapes, refer to the color coordination chart to coordinate with other window coverings, if desired.

- 11 Tilt Options:** *Heritance T1-T4 only.*  
 F = Front tilt      M = Manual tilt with individually operable louvers

- 4 Hinge Color Number:** Specify hinge color number. *Framed Heritance A1-A7 specialty shapes only.*
- |                    |                             |                             |
|--------------------|-----------------------------|-----------------------------|
| 009 = White        | 007 = Antique Brass Finish  | 022 = Veneitan Bronze       |
| 010 = Off-White    | 008 = Brushed Nickel Finish | 023 = Satin Black           |
| 006 = Brass Finish | 011 = Stainless Steel*      | 998 = Custom Painted Color* |

- 12 Price:** See grid in the appropriate section of the Hunter Douglas *Full-Line Reference Guide & Base Price List*.

- 5 Mounting Style:**
- OM = Outside mount. The shape overlaps the window opening.  
 IM = Inside mount. The shape fits within the window opening.  
 EX = Exact. Ordered dimensions equal the outside dimensions of the specialty shape.  
 (Only available on unframed specialty shapes; not recommended for A4, A6 and A7 shapes.)

- 13 Specialty Shape Types and Measurement Requirements:**  
 See size specifications in the appropriate section of the Hunter Douglas *Full-Line Reference Guide & Base Price List* or Hunter Douglas Shutter Collection *Configuration Guide*.

- 14 Specialty Shapes with Horizontal Louvers:**  
 T1 = Oval      T2 = Circle      T3 = Hexagon      T4 = Octagon  
*Specialty types T1-T4 require a template and are only available in Heritance with horizontal louvers. Room, PO#, sidemark, opening#, and measurements must be noted on both the template and order form. Note that templates will affect lead time.*

- 6 Frame Type:** Specify frame type. *Framed Heritance specialty shapes only.*
- |                       |                       |
|-----------------------|-----------------------|
| L1 = Standard L-frame | Z2 = Deluxe Z-frame   |
| L2 = Trim L-frame     | Z3 = Colonial Z-frame |
| Z1 = Standard Z-frame | Z4 = Tilt-in Z-frame  |

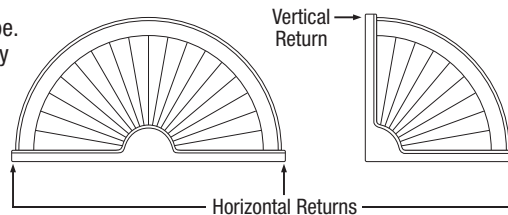

- 15 Measurements and Overlaps:**  
 Identify opening # and specialty type in space provided. Enter appropriate A, B, C and D measurements.

Unframed Outside Mount	
Stand-Alone	Stand-Alone Over Shutter
Width overlap per side and top overlap: Min = 3/4", Max = 1 3/4"	Recommended overlap per side (with 1/4" reveal): Heritance Frames
Bottom overlap: Min = 3/4", Max = 1 1/4"	L1 = 1 5/8"    L2 = 1 3/8"
You can use width overlap to align the shape with a blind or shade below.	Z1 = 7/8"    Z2 = 1 15/16"
	Z3 = 1 5/8"    Z4 = 1"
	NewStyle Frames
	L10 = 1 3/8"    L11 = 1 5/8"
	L12 = 1 3/8"    Z11 = 1"
	Z12 = 1 5/8"

- A = Opening Width  
 B = Opening Height  
 C = Opening Rise  
 D = Opening Center Height  
 Supply drawings as needed.  
 For outside mounts (OM) only, use the overlap at right to determine the overlap of the shape around the opening and the ordered width for pricing.  
**Width for Pricing** = Opening width plus the left and right overlap.

Framed Outside Mount (Heritance Only)	
Recommended width overlap per side (with 1/4" reveal):	
L1 = 1 5/8"	L2 = 1 3/8"

- 7 Returns:** *Unframed specialty shapes only.*  
 YES = Include returns on the specialty shape.  
 NO = Do not include returns on the specialty shape; or inside mount (IM).

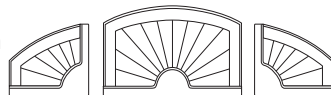

Returns on quarter circles and extended quarter eyebrows are both vertical and horizontal, as shown at right. If a return is desired in one direction, but not in the other, indicate this in Special Instructions.

*Note:* Returns add 1/2" per side or 1" overall. Returns are not available on T1 - T4 specialty shapes or inside mount applications.

- 8 Companion Specialty:**  
 YES = This is a companion specialty.  
 NO = This is not a companion specialty.

Companion specialty example:

- Variable Radius:** Worksheets and order forms have been designed to effectively replace templates for most openings. Variable radius openings are an exception and require an accurate template. If you have a variable radius arch such as the three examples to the left, send a template. **Note that templates affect lead time.**
